

Job Title: Web / Graphic Designer

Hours: Flexitime (37.5 Hours)

Salary: TBD

Interviews: April/May 2023

Role Overview:

The primary responsibility will be to redesign the company's flagship brand BABYGO®'s website, you will also work closely with the marketing team to understand the target audience and develop effective messaging and designs for the newsletters as well as design various print materials such as product boxes, booklets, magazines, and leaflets, whilst being heavily involved with improvement across all our brands and websites using data-driven design.

Key Skills:

- Experienced in mobile and web design using Figma/Sketch.
- Proficient in Adobe Photoshop, Illustrator and InDesign.
- Excellent photo editing skills
- Strong portfolio showcasing design skills for web and print.
- Excellent attention to detail.
- Ability to work in a fast-paced environment.
- Ability to manage multiple projects simultaneously.
- Have creative flair and a strong eye for detail

What Will Give You an Advantage:

- UX/UI principles and data-driven design
- Designing for Shopify and e-commerce.
- Coding experience (HTML|CSS)

Benefits:

Joining the GAVGO team offers more than just a job; it's an opportunity to work in a fast-paced and dynamic environment with a highly motivated team. We offer a range of benefits to support your personal and professional development, including:

- The latest Mac and 40-inch Monitor 🧐.
- Conferences and Seminars; keep up to date with the latest and greatest.
- Flexitime can work from home up to 2 days a week.
- Pension & Stocks and Shares Scheme
- Costco Card
- Gym Membership
- Free Food Friday
- Your birthday off.
- Achievement Awards to recognize your hard work and contribution to the team.
- Training/Qualifications to help you stay ahead of the game and grow your skills.
- Quarterly social events.

If you are looking for an opportunity to work with one of the UK's fastest-growing companies alongside a group of amazing colleagues who are on a mission to be “best in class” at what they do, then this is the job for you!
